## Office Policy and Financial Arrangements

We are committed to providing you with the best possible care. If you have dental insurance, we are happy to assist you by contacting your insurance company for eligibility and billing however, we urge you to please check with your insurance company prior to any office procedures. We charge reasonable and customary rates for the state of Michigan. You are responsible for payment regardless of any insurance company's determination of usual and customary rates. Also, understand that not all services are a covered benefit in all contracts. While filing insurance claims is a courtesy we extend to all of our patients, all charges are your responsibility from the date the services are rendered. It is your responsibility to know your individual coverage. Failure to comply with this suggestion could result in you, the patient, being responsible for all costs incurred during your visit. Please remember that your insurance policy is between you and your insurance company and not between your insurance company and our office.

Payments for services are due at the time services are rendered unless our staff has approved payment arrangements. We will gladly discuss your treatment plan and answer any questions relating to your account and/or your insurance coverage. Please, do not hesitate to ask us.

Your appointment time is valuable and has been reserved specifically for you. If it is necessary for you to reschedule your appointment please provide us with a 24 hour notice.

All appointments that are cancelled with less than 24-hour notice will have a \$25.00 charge added to the account.

Thank you for your time and understanding in this matter.

\* I understand and agree that I am responsible for giving a 24 hour notice if canceling any appointments; otherwise my account will be charged a \$25.00 cancellation fee.

\*I understand and agree that (regardless of my insurance status) I am ultimately responsible for the balance on my account for any services rendered. Your signature below verifies that you have read and understand this statement.
